Extra value from your membership

REWARDING LIMITS

Once you have held your extras cover with us for one year, we will automatically increase your annual limits for dental and therapies by \$50 per year, up to a maximum of \$250. After five years of membership, your limits will increase to \$1,650 per person per Membership Year. **Rewarding limits do not apply to sub-limits.**

If you've had a busy claiming year; visits to the dentist, podiatrist, regular massages, you may be curious about what you have used and what you have left to claim. You can always check your membership online with our Online Member Services (OMS) portal or our Mobile App, available for iOS and Android. It's a great way to keep track of all your claims and view benefit limits from the comfort of your own home. You can also process your own claims online for some services and do quotes. To utilise OMS you just need to register and log on. Of course, not everyone is tech savvy, so we are here on the phones to assist you any way that we can.
