If you've had a busy claiming year; visits to the dentist, podiatrist, regular massages, you may be curious about what benefits you have used and what you have left to claim. You can always check your membership online with our Mobile App, available for Apple iOS and Android. It's a great way to keep track of all your claims and view benefit limits from the comfort of your own home. You can also process your own claims online for some services and do quotes. To utilise our Mobile App you just need to register and log on. Of course, not everyone is tech savvy, so we are here on the phones to assist you any way that we can.
